REVENUE CAT VS
ADAPTY

Subscription Management

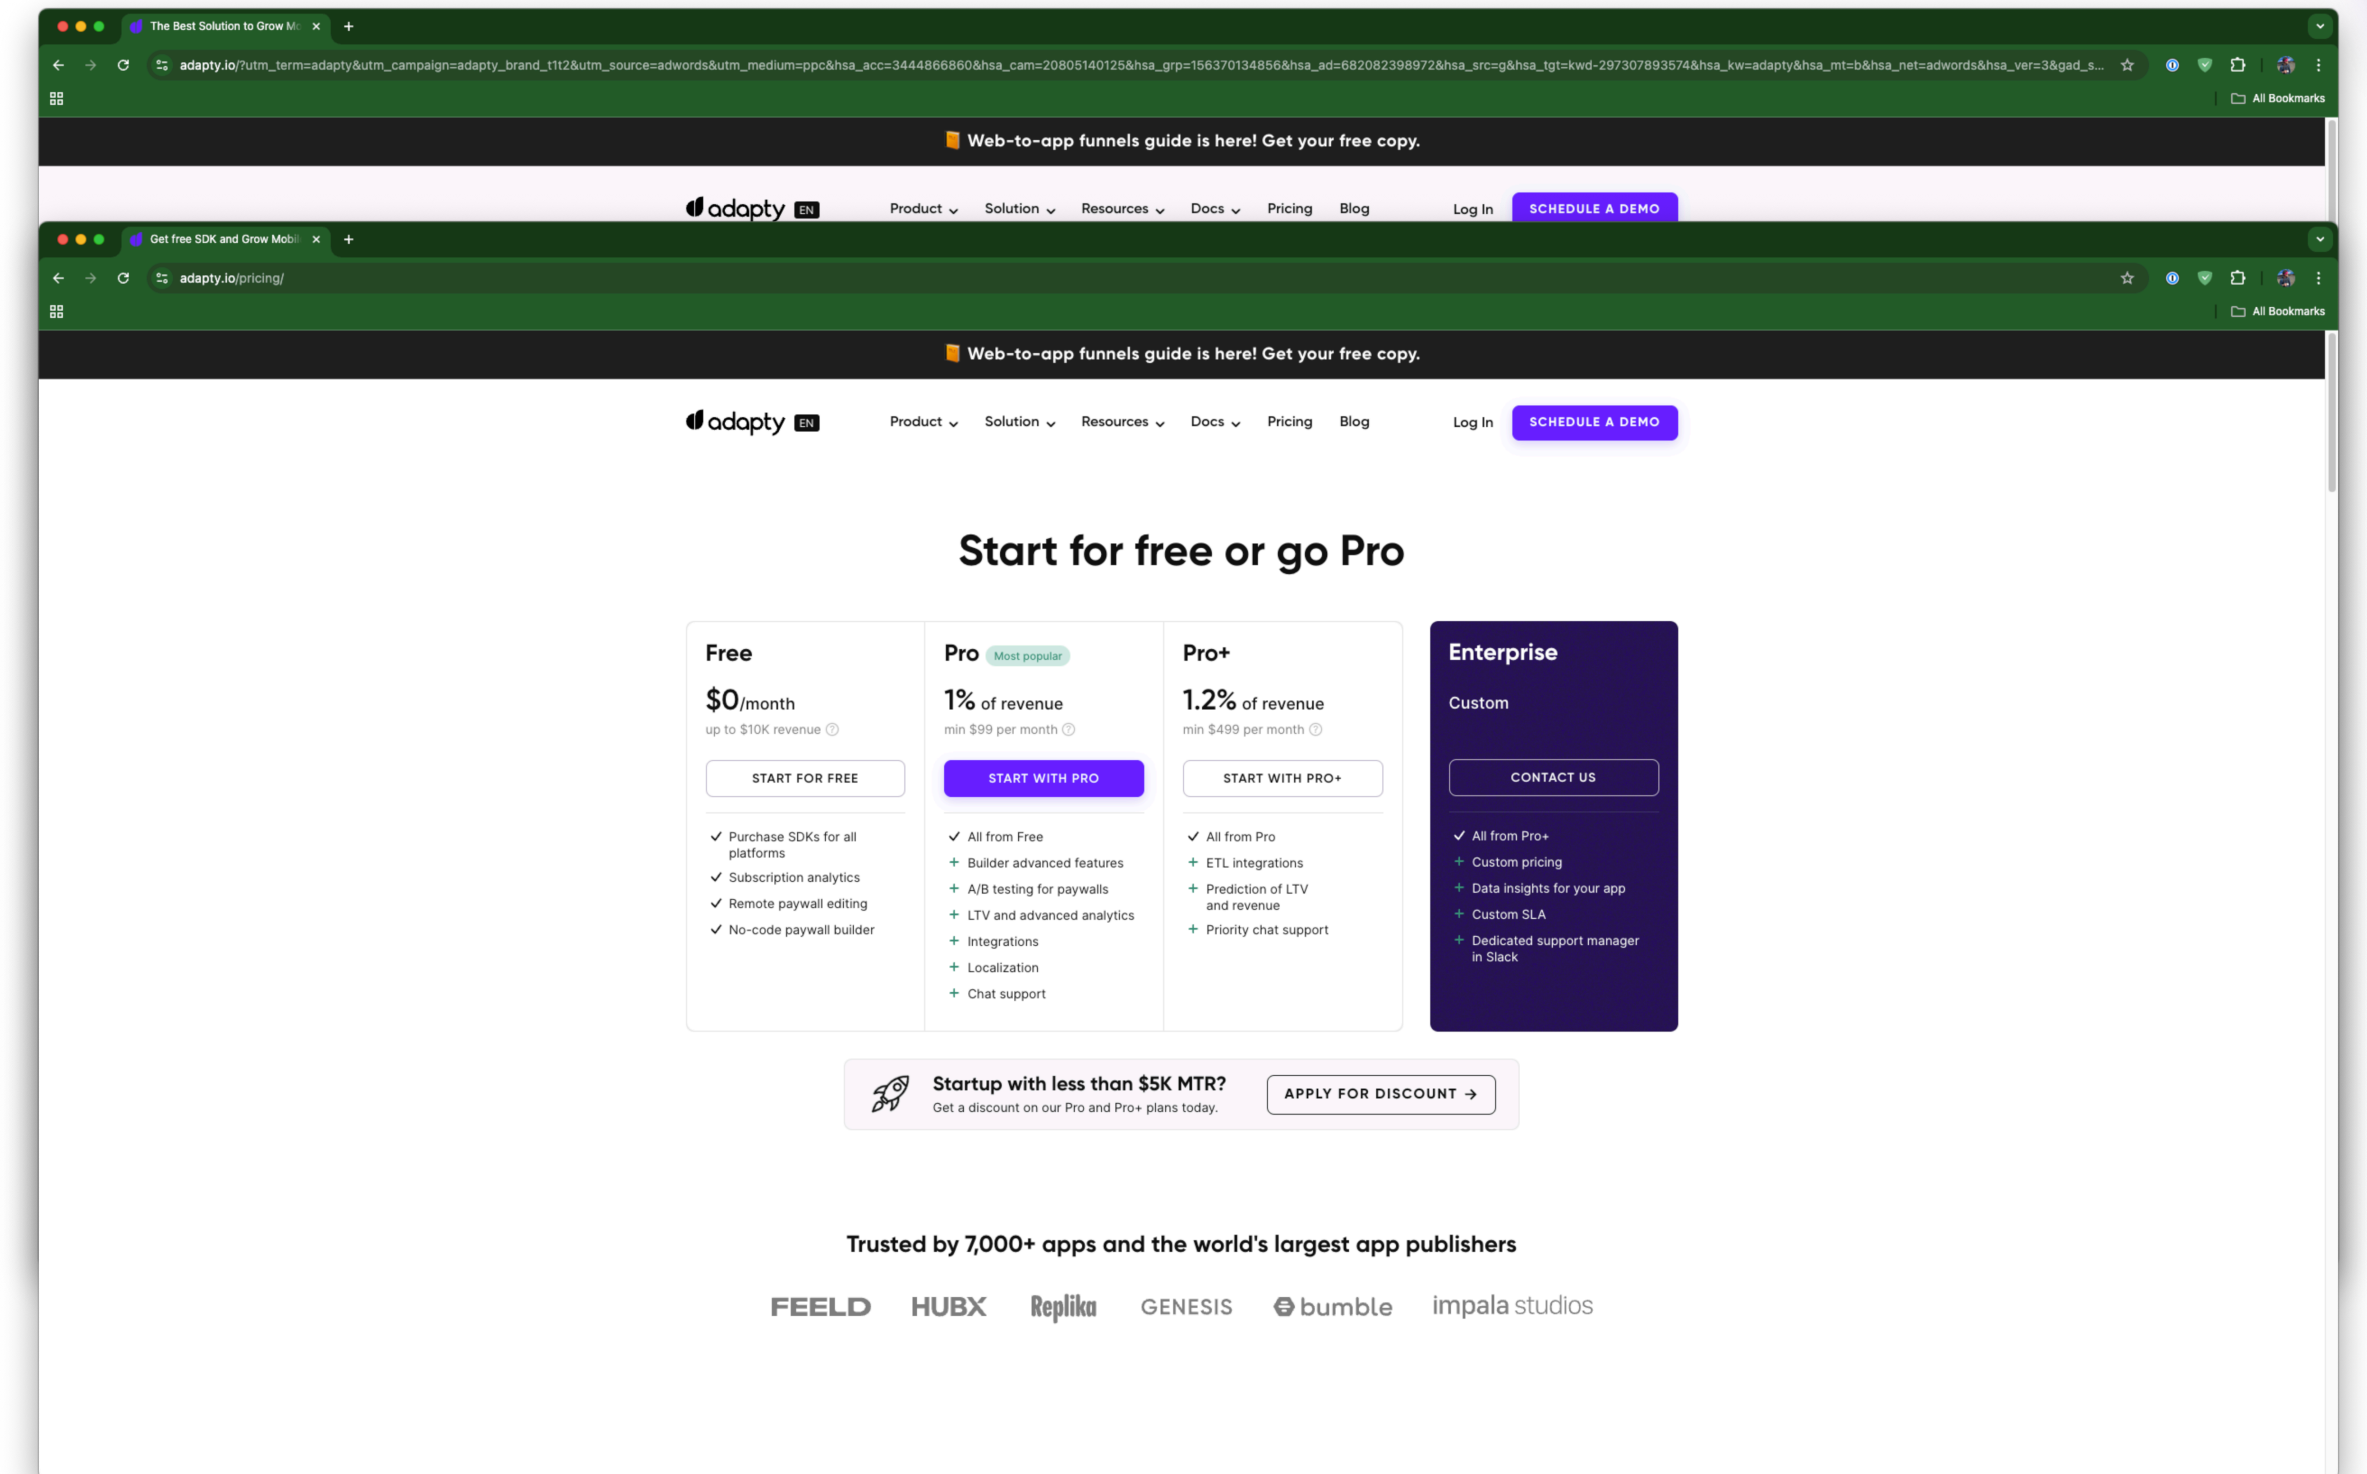

Ákvörðun

The screenshot shows the RevenueCat website's pricing page. The main heading is "Everything you need to grow your subscription app" with the subtext "With predictable pricing, for apps of all sizes". There are two main pricing cards: "Pro" and "Enterprise".

Plan	Price	Features	Call to Action
Pro	Free up to \$2.5K in MTR @, 1% of MTR after \$2.5K @	Access every RevenueCat feature from day 1. Start for free, and then pay for what you use, only when you make over \$2.5k.	BUILD FOR FREE
Enterprise	Custom	Ideal for apps with a high transaction volume, complex hybrid business models, or unique and specific operational requirements.	TALK TO SALES

Below the pricing cards, it states: "The world's most comprehensive subscription platform built specifically for app businesses. Driving revenue growth for over 33,000 apps, including:" followed by logos for Notion, VSCO, Buffer, and Stocktwits. At the bottom, there are links for "Core features", "Enterprise", "Pricing details", and "FAQs".

The screenshot shows the Adapty website's pricing page. The main heading is "Start for free or go Pro". There are four pricing tiers: Free, Pro, Pro+, and Enterprise.

Plan	Price	Features	Call to Action
Free	\$0/month (up to \$10K revenue)	Purchase SDKs for all platforms, Subscription analytics, Remote payroll editing, No-code payroll builder	START FOR FREE
Pro (Most popular)	1% of revenue (min \$99 per month)	All from Free, Builder advanced features, A/B testing for paywalls, LTV and advanced analytics, Integrations, Localization, Chat support	START WITH PRO
Pro+	1.2% of revenue (min \$499 per month)	All from Pro, ETL integrations, Prediction of LTV and revenue, Priority chat support	START WITH PRO+
Enterprise	Custom	All from Pro+, Custom pricing, Data insights for your app, Custom SLA, Dedicated support manager in Slack	CONTACT US

Below the pricing tiers, there is a promotional offer: "Startup with less than \$5K MTR? Get a discount on our Pro and Pro+ plans today." with an "APPLY FOR DISCOUNT" button. At the bottom, it states "Trusted by 7,000+ apps and the world's largest app publishers" and lists logos for FEELD, HUBX, Replika, GENESIS, bumble, and impala studios.
